

Cavendish Road State High School 2024 Year 12 Assessment Plan (General Subjects)

This table below details the planned weeks for assessment in Years 11 and 12 in 2024. The assessment item due date or scheduled exam date will occur on one or more days in the week indicated. These planned weeks for assessment may change due to a range of reasons and any changes to dates will be communicated to students. Assessment Planners for each subject will be published to students early in 2024. This will include the specific dates for mock exams in the end of Term 3 Mock Block. Page 2 shows the type and conditions of assessment for each subject (exam or assignment). In Years 11 & 12, the school is required to follow the assessment policies and procedures of the Queensland Curriculum and Assessment Authority. While students are able to have Access Arrangements and Reasonable Adjustments (AARA) applied for long-term and chronic conditions, short-term conditions and temporary injuries and illness and misadventure, AARA does not apply for matters of the student's or parent's/carer's own choosing (e.g. family holidays).
