

Cavendish Road State High School

Enrolment Cover Sheet – Year 7 2027

Overview: Cavendish Road State High School operates under an Enrolment Management Plan with the prime obligation to ensure access to an appropriate educational service for students whose principal place of residence is within the school's catchment area.

In Catchment: Students residing in catchment have the right to enrol and receive preference. Documentary evidence is required as proof of residence in catchment beyond the intended date of attendance commencing.

Out of Catchment: Students from Out of catchment applying for enrolment will be placed on our waiting list and places offered subject to available capacity.

Programs of Excellence: All students are eligible to apply for the Programs of Excellence offered by the school. Students are selected for these programs on a merit basis and must meet selection criteria of the program.

Interview: During Term 1 or 2, students and parents may be invited to attend an enrolment interview.

Application Fee Out of Catchment: Following an invitation to attend an interview a non-refundable application fee of \$100 will apply for Out-of-Catchment students. This guarantees an interview but not automatic enrolment. The Principal is wholly responsible for all enrolment decisions. Student applicants unable to be placed in their year of enrolment for which application applies will be placed on a waiting list for 12 months after which time re-application is required.
