

# Student Wellbeing Digest

## The Week that was.....

### Week 1 – Term 3

#### Canned Food Drive Wrap up 2021

Student Wellbeing has finally cleared up and donated all canned goods to SecondBite for another successful year of the Canned Food Drive. Cavendish Road State High School, every year, as a community collect as many cans as possible to donate to a worthy cause improving the lives of so many people in Queensland and our local community. This initiative is a way for every student to give back to their community and give to those in unfortunate situations.

Our PS classes compete against each other to see who can collect the most cans.

We set a school wide target of 25000 cans this year trying to set a new school record.

Unfortunately, we fell just short collecting 23 983 cans but still a fantastic effort by the school community.

Special congratulations to HARROP N and Mrs Fomsgaard for winning this years Canned food drive collecting 2133 cans and winning for her third year running!

Lastly, a special thank you to Robert Rimmer – a father of one of the Cavendish Rd SHS students but also the state manager for Secondbite. His support, guidance and passion towards the event made sure it was another successful year for donations here at Cav this year.

#### Chappy Week 2021

Chappy week 2021 was a huge success!! This week celebrated school chaplaincy and the fantastic work our school Chaplain Jules does here at Cav. The support and guidance Jules shows to our students is a huge asset and we are very privileged to have her. An exciting week was celebrated by students with some snaps below.

Monday – Staff Cupcake competition

Tuesday – Staff v Students Netball competition

Wednesday – Willy Wonka Golden Ticket search

Thursday – Table Tennis tournament

Friday – Colour Run at Sports Carnival

### Indigenous Student celebration

Recently, our Indigenous students have had the pleasure of working with two local Indigenous artists to capture their belonging to the Cav Rd Community.

Through having a yarn with and understanding students vision of their time and connection to their land, Matt and Ambrose have come up with another beautiful design that will be added onto last years piece forming the story of Cav RD SHS.

### Story behind the piece

This original painting by Ambrose and Matt from Ngalin Ayeye represents key elements of the local area that Cav Rd SHS is on, as well representing the school itself in a contemporary sense.

The circles within the centre of the piece represent each of the school house colours, with the centre circle representing the greater school unit – staff, parents and the broader community.

The hands above and below the centre represent belonging – belonging to this community and area. It was important we incorporated native fauna as suggested by the students involved with the Yarn Session held prior to the completion of the artwork, so a native Brush Tailed Possum can be seen on the left, with a Carpet Snake on the right of canvas. Both are particularly important and relevant to the region today as well as traditionally to our ancestors of the past with the Carpet Snake being an important totem of the Greater Brisbane language groups of the Turrbal and Yuggera people and our Quandamooka neighbours along the Moreton Bay region.

### BBQ Breakfast

Reminder to all students that morning breakfast club times have changed.

All breakfast club is located down at T block near the Auditorium.

Wednesday morning – Toast  
Thursday morning – Pancakes

Everyone and anyone is welcome. 😊
