## Year 11

### "Leadership without a badge"

This week Mr Batchler's Year 11 cohort were privileged to have 4 former Cavendish Road SHS captains come and talk to students about legacy and their Senior schooling years. It provided students with some powerful stories of change and purpose while reminding all students that they are all leaders of our amazing school. The former school captains spoke about their legacy of developing the "What Road?" "Cav Road!" chant as well as introducing the serenades for Valentines day which both still occur today.

On Monday 26th of July, we will see 3 former female school captains join us for the same session to encourage students about leaving their legacy here at Cav and launch the Year 11 leadership process.

Another special mention to the fantastic Year 11 students accompanied by Mrs Larsen and Mr Batchler who have taken on the challenge and attend the Rosies - Friend on a street program. Its main mission to ensure that no Queenslanders feel left out or disconnected from their community. Rosies aims to provide friendship and unconditional acceptance to those doing it tough with a warm smile and a hot drink.

## Year 7 PSC Program

The Year 7 Pastoral Care program for Term 3 is based around "Taking the Lead". This involves students investing their time into a value they are passionate about and something they are interesting in. Groups are led by teachers with multiple options ranging from sport, leadership, art, gardening, film and media as well as many others. The photo to the right, is an example of the goal that leadership class led by Ms Lisa Williams created this week. Each class has the goal to complete a VIA - Value in action and led a program or event here at school. Watch this space as there are many excited year 7's and a very passionate Year 7 Dean.

*As leaders we will work as a team, building off each other's ideas to create a final product. We will achieve this through collaborating with mutual respect, leading by example with kindness and inspiring others.*

## General Student Reminders

### T Block Uniforms and Sporting goods

A general reminder to students who have loaned uniforms from Mr Francis and the T Block Wellbeing space. Please make sure you return these as soon as you can. We know it is getting cold so jumpers are in HOT demand.

Lastly, thank you to the fantastic P n C and Cav Rd community. From your purchases at Athletes foot we are able to lend out to students nearly \$700 of sporting equipment. Reminder to students to ensure they sign the equipment out and it is their responsibility to return it at the end of the break.
