Re: Year 7 Parent Evening – Tuesday 12th February

Dear Parents, Carers and Students,

The beginning of high school can be a challenging time for parents, carers and teachers of young adolescents. Young people at this age have a range of changes to cope with in their personal development and at the same time find themselves in a new and complex educational setting.

All families are invited to meet with your child's teachers commencing at 6.30pm. During this session, you will be given information on your child's educational program at Cavendish Road State High School.

Prior to the Year 7 Evening, information sessions will be held for students in the Academic Explorers Program and the Music Program. At 7.15pm, an information session will be conducted for students enrolled in the Sporting Academies.

This is a Parent Information Evening and your child is not required to attend. In the event of your child not attending the night, please be aware of your child's Pastoral Care (PSC) class.

The venue for the Evening will be the Year 7 Building (Y Block). Closest street parking is in Elgar Street. Enter the school via Gate 7 and follow the path to Y Block.
